

“Modern Regression Analysis”

Instructor: Guy Whitten, Laron K Williams

WEEK 1		WEEK 2	
Monday, June 4, 2018	Placing Quantitative Methods in a Research Program	Monday, June 11, 2018	Relaxing and Testing Regression Assumptions II
Tuesday, June 5, 2018	Two Variable Hypothesis Testing	Tuesday, June 12, 2018	Time Series Analysis
Wednesday, June 6, 2018	Two Variable Regression	Wednesday, June 13, 2018	Pooled Time Series Analysis This topic can not be covered without first having covered “Time Series Analysis.”
Thursday, June 7, 2018	4: X -Y controlling for Z	Thursday, June 14, 2018	Qualitative Response Models
Friday, June 8, 2018	Relaxing and Testing Regression Assumptions I	Friday, June 15, 2018	Spatial Regression Models
